Northeast Correctional Complex (NECX)  
Mountain City, Tennessee

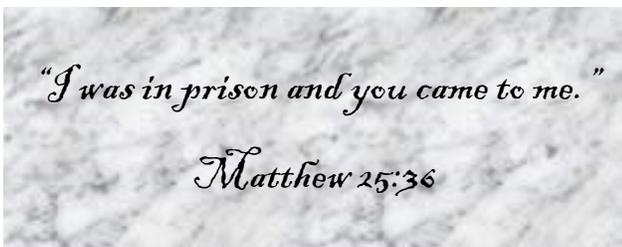

## Welcome To The Kairos NECX Inside Newsletter

I would like to introduce you to YOUR Kairos NECX Inside Newsletter. This newsletter will be filled with information, articles, and what's happening around Kairos.

This newsletter will be published quarterly (January, April, July, October) to start, and then depending on input from you, the Kairos member, this newsletter can be published monthly. There will also be special editions throughout the year that would correspond to programs and holidays. The timing of this newsletter being published will be totally up to the amount of input and articles that are received.

I would also like to be able to have this approved for distribution within NECX, and have articles written by some of the graduates of Kairos Inside.

All contributions to this newsletter should be sent to Scott Stodola at [scottmstodola@gmail.com](mailto:scottmstodola@gmail.com), and have newsletter submission in the subject line.

# Kairos 40.3 Northeast Correctional Complex (NECX) Mountain City, Tennessee

After a successful Kairos 40.3, we are now in the planning stages for Kairos 41 at the Northeast Correctional Complex (NECX) in Mountain City, Tennessee.

Now you may be wondering why you just read Kairos 40.3. Well this was our 3rd try at having the walk inside NECX. The first attempt was cancelled due to the Coronavirus, and the second and third attempts were cancelled due to staff and security concerns at the facility.

Kairos 40.3 took place from October 6 to October 9, 2022. There were 41 residents and 39 Kairos volunteers that spent the weekend together.

The weekend was filled with God's love all around. The men were able to experience God's love, many for the first time in their lives, and know that God is real.

Through the testimonies and the meals, we learned about each other, what we like, our hobbies, about our jobs, and how God was moving in each of our lives. We learned that we all have more in common than we have differences.

The residents had their fill of cookies and they received the message of hope, love, mercy and grace.
